#### aug 27-eo2w\* JUVENILE SCHOOL,

On H, between 17th and 18th streets, First Ward. THE MISSES PRETTYMAN respectfully inform their friends and the public that the exercises of their school will be resumed on MONDAY, the

5th of September. They communicate instructions to girls and small boys in the rudiments of English Education-Reading, Writing, Arithmetic, Grammar, Geography,

The number of scholars is limited. Persons will therefore apply early, as above, when the terms will aug 27-dt6thSep be made known.

#### MRS. E. CONVERSE & MISS M. MILLER'S Select School for Young Ladies,

Hamilton Terrace, No. 243, Eutow street, Baltimore. MHESE ladies, who have had so much experience in teaching, both in the Eastern and Middle States, will open a Select Boarding and Day School for Young Ladies, on the FIRST MONDAY IN SEPTEMBER. The success which has invariably attended their past efforts, gives them assurance that parents who may entrust the education of their children to their care, will find the duties and responsibilities of this important and sacred trust faithfully and ably discharged.

The English Department will be under the exclusive direction of the Principals of the School; and ! well qualified Teachers will be employed to give instruction in the Ancient and Modern Languages, Music, Drawing, &c.

EMERSON INSTITUTE.

For terms, &c., apply to principals. Circulars can be obtained at Cushings & Bailey's, Baltimore street, opposite Hanover. aug 26-2m

#### Select, Classical, & Mathematical School for Boys. CHAS. B. YOUNG, A. M., PRINCIPAL.

THIS institute, situated near the corner of H and 12th streets, and formerly known as Woodbury's Academy, will re-open on the first Monday in September. Parents who wish to give their sons a thor ough classical and mathematical training are re spectfully advised that the terms are comparatively high since the number of pupils is limited. A high grade of scholarship is aimed at by the Principal .-He wishes to turn out yearly a few scholars, who, while they will reflect credit on him, will be an honor to themselves and those who send them. He would therefore give them individual attention. The school-room has been handsomely fitted up with

Terms per quarter, for the full course, \$15; for the English branches, \$10. Payment in advance. For further particulars apply (by note) to the Principal, or to the following REFERENCES!

#### Seminary for Boarding and Day Purils. On F street, between 12th and 13th streets. THE duties of this institution will be resumed on

I Thursday, the 15th of September, at which time. The pupils are requested to be punctual in attendance, in order to promote a speedy organization of the classes. The many improvements and additions lately made to their previously large establishment enable the principals to offer increased advantages and fa cilities to their pupils.

They have also made arrangements for the accommodation of 12 or 14 boardng pupils, who will find everything provided that can make home comfortable-such as chambers well ventilated, carpeted in in winter, and warmed at pleasure by a furnace; their study room lighted with gas, and every other convenience that can be desired.

No pupil will be admitted unless satisfactory reference be given previously. For terms, &c., circulars may be had at the Semmary and at the principal bookstores in the city. aug 21-dt15thSep

#### RITTENHOUSE ACADEMY. Corner of 3d street and Indiana Avenue.

THE next Academic year will commence on Monday, September 5th. It is desirable that those who enter should be present at the beginning of the quarter. Tuition from \$5 to \$12.50 per quarter, payable in advance. Circulars may be obtained by applying to the Principal, or at the Bookstore of Wm. M. Morrison & Co. O. C. WIGHT, aug 22-3w Principal

[No. 494.]

NOTICE OF WITHDRAWAL From public sale and private entry of lands lying within fifteen mules of the route of the proposed railroad from Brandon, in Mississippi, to Montgomery, in Alabama.

N consequence of urgent representations on behalf of the interests of the proposed railroad from Brandon to Montgomery, the President of the United States has directed that, for the present, (and until the pleasure of Congress can be ascertained in regard to a grant of public land in aid of constructing said railroad,) the public lands lying within fifteen miles, (or thereabouts, as near as may be,) on either side of an air line between Brandon and Montgomery, in the districts of land subject to sale at JACKSON and Augusta, in Mis-issippi, and at Demopolis and CAHABA, in Alabama, be withheld from public sale or private entry, (as the case may require.) until furher notice and special instructions to that purport have been according to given to the land officers of the districts aforesaid.

The limits intended in the above order, (shown by diagrams furnished to the land officers,) include portions of public lands advertised to be offered at Au gusta on the 26th proxime, and at Demopolis on the 12th proximo, by the President's preclamation of 23d May last; and also include portions of the lands in the same districts directed to be restored to private entry by the notice from this office, subjoined to that proclamation, lying within the undermentioned townships, viz:

North of the base line and East of the Choctaw meri-In the Augusta district, in Mississippi: Townships three, four, five, six. and seven, of RANGES twelve, thirteen, fourteen, fifteen, sixteen, seventeen, and eighteen.

North of the base line and West of the St. Stephen's meridian In the DEMOPOLIS district, in Alabama: Townships thirteen, fourteen, fifteen, sixteen, and seventeen, of

RANGES two, three, and four, and fractional TOWNsaips thirteen and fourteen, of RANGE five : the unsold lands within which townships are to be withheld from public sale, er private entry, (as the case may be.) until further notice. Valid pre-emption claims within the limits aforesaid may, however, be established and paid for as

By order of the Bresident. Given under my hard, at the General Land Office. city of Washington, this nineteenth day of August, JOHN WILSON,

aug 20-d3w Commissioner. Proposals for Building Beacon-Lights and Day-Beacons, James river, Virginia.

> TREASURY DEPARTMENT, OFFICE LIGHT-HOUSE BOARD,

Washington, August 5, 1853. SEALED PROPOSALS will be received at this office, until 12 M. of the sixth (6th) of September next, for furnishing the materials and building three beacon-lights and one day beacon on James river, Virginia, at the following named points .: 1. Beacon-light on "White Shoal," a shell bank, bare at (say) half tide.

2. Day-beacon off "Day's Point," on a shell-bank, bare at (say) half-tide. 3. Beacon-light on "Point of Shoals," a shell-bank,

bare at (say) half-tide. 4. Beacon-light on "Deep Water Shoals," opposite "Lyons creek," a shell-bank, bare only at the lowest tide.

As the beacen-lights (1, 3, and 4) are in all day-beacon off Day's Point. (2,) in the same immediate vicinity, say within fifteen miles of each other, proposals will be receive separately for the beaconlights (1, 3, and 4) and the day-beacon, (2,) or for the whole together.

General description of beacon-lights, (2, 3, and 4,) On "White Shoal," on "Point of Shoals," and on Deep Water Shoals," opposite "Lyons creek." Foundations of five iron piles, either screw or pneumatic, placed at the angles of a square of 20 feet sides and one in the centre, inserted 10 feet into the soil, and to rise 2 feet 6 inches above high water, estimated at 3 feet 6 Inches above low water. The heads of the piles to be connected by a spider-web bracing, and capped with cast iron collars to receive pieces of round timber 6 feet in length, so inclined as to reduce the square to 17 feet, the size of the dwelling, the base of which is formed of timbers rest ing in iron caps, and of such a length as to atmit of a passage or gallery on all sides of 4 feet. Diago nal bracing will extend between the spider-web bracing and the base of the dwelling, from the angie piles to the centre piles of the foundation. The dwelling to be frame, of one story of 9 feet in the clear, and divided into a sitting-room, chamber. kinchen and store-room, and furnished with an iron water-tank, cooking-stove, and tin oil stand and drip pan, the only matters not strictly a part of the structure. To have two doors and four windows opening on the gallery, and three inside doors. The floors resting on joist, and composed of two thick nesses of boards, tongued and grooved. Outside hap strake weather-boarding, inside lined and ceiled with boards, tongued and grooved. Railing on all sides of gallery, turned newel posts and rounds, square rails. Wooden step-ledder from dwelling to battern, which is of wood, with the exception of dome, &c., and vertical astragals 6 feet high, 4 feet 7 inches interior dismeter, and sunk 1 foot 4 inches into the roof. The roof of dwelling and lantern with pitch of 1 on 6%. The height of glazed portion of lantern 32 inches, the remainder is weather-boarding, &c., as in

dwelling; the glass about 21 inches in width, of best plate 1/4 inch. Roof of dwelling and lan ern of inch boards, covered with heavy cross tin. Tin gutters all round the former, with conductor to water-tank. The latter with cast iron dome, smoke flue, ventilators, &c. The colors of paint and number of coats. as per specifications. As the lighting apparatus will be provided by the Board, the contractor is required to furnish the stand only for the same. General description of day-beacon, (2) off "Day's Point." Wrought iron shaft 41% inches in diameter, driven ten feet into the soil, and rising 25 feet above

the ground, to pass through and be sustained by mean- of a wrought iren ring shrunk on it, by a disc 3 feet in diameter, having four separate arms, buried in concrete under the soil. The cage 6 feet high, and 4 feet 6 inches diameter, formed of two frustrums of cones united by their bases, and streps of boiler-iron of 3 inches, running round horizontally with equal spaces of 3 inches. The shaft is designed of two neces for convenience of insertion into the soil, and is coupled by a cast-iron sleeve, but one length is preferable.

The iron, whether wrought or cast, to be the best qualities of their kind, well seasoned, and free from sap, wind shakes, or other defects. The hardware. qual nails, &c., glass of its kinu. paint, &c., of the best ity. The workmanship throughout to be of the best

character. The foundations, the dwellings, the lan terns, and the entire day-beacon to have three coats of paint of the colors named. The size of all materials whether of iron, wood, &c., to be as stated in the specifications, which, with the drawings in detail, will govern the contractor, and may be examined at the office of the Light house Board. The entire work, in short, as regards the kind, quality, and size of materials, and character of workmanship, to be in stric: conformity with the terms of the contract, the specifications and drawings attached being considered a part; an. be subject to the inspection during its progress of the superintending engineer, or other agent of the Treasury Department, whose certificate as to its faithful execution, in conformity with the provisions of the contract, sha'l be deemed necessary to entitle the con ractor to receive the stipulated

payments under it. The bids to be accompanied by a written guarantee, signed by two responsible persons, that the bidder will, when required, if his proposal be accepted, enter into a contract and bond, with proper and sufficient securities, in the penalty of \$4,000, for the faithful performance of said contract. The assign ment of the contract, without the consent of the Department, will be a forfeiture of the same. The work to be completed in four months from the sign-

The Department reserves to itself the right to rejectany and every bid from other considerations than the amount.

All bids should be endorsed "Proposals for building beacon lights, dr. on James river, Virginia," and then put under cover to the undersigned. Secretary of the Light house Board, Washington, D. C., and the same will be open dat this office at 1 P. M. on the date above mentioned, in the presence of the bidders, should any be present. These only will be considered that conform to the

requirements of this advertisement. Payments will be mate, if desired during the progress of the work, as follows, viz:

On account of 1, 3, and 4, on the satisfactory completion of the foundations to the principal timbers at the base of the dwelling, inclusive, twenty five per cent. of the entire sum stipulated, on covering in the dwelling, twenty five per cent; on covering in and finishing the lantern, twenty-five per cent; and the balance on the entire fulfilment of the contract. On account of 2 no payment will be made until the work is completed.

EDM'D. L. F. HARDCASTLE, Engineer, Secretary Light-house Board. aug 11-2awlm.

## Fauquier White Sulphur Springs.

Fifty miles west if District of Columbia. THIS establishment is now open for the reception I of visiters. The healing qualities of the water are well established, and by many are regarded as inferior to none in the State. The buildings are upon a large scale, tastefully arranged, with spacions porticoes, ball-rooms and parlors, catensive paved walks, and covered ways shaded by beautiful trees. A first-rate band of music has been secured, and a most ample supply of the very best wines, liquors, and stores which the country could afford, without regard to price. Efficient, polite, accommodating

agents will endeavor to make the time of the guests as agreeable as possible. Terms of board as follows: \$80 for the season end ing 1st October; for three months, \$75; for two months, \$60; for one month, \$35; for two weeks, \$18; one week, \$10; per day, \$1.75; meals and lodgings, each 50 cents. Children under twelve years, and servants, half price. No charge for children under two years. Horses, 50 cents per day, or \$10 per month. The very best wines and liquors having been obtained, corkage of \$1 a nottle, and in proportion for larger quantities, will be charged on all that shall be brought to the place by others. Bills

pavable weekly. The Alexandria and Orange Railroad is now completed to Warrenton, and the cars leave Alexandria at eight o'clock every morning except Sunday, and get to Warrenton in about two-and-a-half hours, where a first-rate line of stages will take the passen gers immediately to the Springs, six-and a-half miles over a McAdamized road; returning, the cars leave Warrenton at 1% o'clock, and passengers get to Alexandria and Washington in time for the evening train to Baltimore. Another train of cars leaves Alexandria at 3 p. m., and gets to Bealeton in about two and a half hours, when a first-rate line of stage coaches will take the passengers about nine miles to the Springs, over a good summer road. Fare by either route from Alexandria to the Springs, \$2.56. Travellers who come by Gordonsville will have countly good coaches to Culpeper Court-house, which place they leave at 7 a.m. in the cars, and get to Bealeton in 30 minutes, where the coaches will take them immediately to the Springs, thus making two daily lines from Bealeton, and one from Warrenton to the Springs. Persons may breakfast at the Springs, dine and spend about four in Alexandria, and return to the Springs by sunset of the same day. Passengers by the evening train from Richmond get to the Springs by noon the next day. By the Gordonsville route, they sleep at Culpepper Court-house, and get to the Springs about nine next morning. A good line of coaches will go from the Springs to New Market three times a week, connecting at Gaines's Cross Roads with the Winchester line. THOMAS O. FLINT,

JORDAN'S Frederick White Sulphur Springs.

THIS long-established watering place having pas-sed into the hands of the substribers, they begto announce to the public that they are now prepared for the reception and entertainment of visiters. An extended panegyric of the remedial virtues of these waters they deem unnecessary, popular opinion, dat ing back eighty years, having approved them.

These Springs are beautifully situated in Freder ick county, Va., five miles from Winchester, and one mile and a half from Stephenson's Depot P. O., on the Winchester and Harper's Ferry Railroad, and are therefore of easy access from North and East. Visiters leaving Baltimore, Washington, &c., in the morning train arrive in due time to dine.

Pacilities for the accommodation of guests are more ample than ever before, a large new building having been recently erected. For the following diseases these waters are found to be highly efficacions: Dyspepsia, liver diseases,

eruptive affections, &c.; and as a diuretic and alter ative they are unsurpassed. R. M. & G. N. JORDAN. jy 8-tlstSep
